About Us

**MINT
TINY
HOUSE
COMPANY**

Mint Tiny House Company is one of the leading manufacturers of Tiny House RVs and Park Models based in Vancouver, BC, Canada. Established in 2014, Mint has rapidly expanded and is now one of the largest Tiny House manufacturers in the Northwest. With a focus on quality and sustainability, our RVs and Park Models are shipped all across the USA and Canada, making them an excellent option for those seeking a compact and eco-friendly lifestyle.

At Mint, our mission is to empower people to live sustainably and comfortably in a compact space that reflects their personal style and values. We achieve this by designing and manufacturing high-quality, customizable Tiny House RVs and Park Models that are eco-friendly, energy-efficient, and affordable. We are committed to using sustainable materials and practices in our manufacturing process, and to providing exceptional customer service to help our customers achieve their dream of tiny house living.
